Insurance Surveyors & Loss Assessors

Engineering Claims

Alex Stewart Insurance experienced surveyors examine and assess damage related to cargo, ships, etc. in order to mitigate loss and protect the interests of Consignees, Insurance companies, Ship Owners, Charterers and P & I clubs, 24 hours a day, 365 days a year. Our surveyors establish the cause of loss and assess the extent of loss fairly. We also make suitable recommendations for minimizing or making good the loss and if necessary to assist in recommending the best salvage value.

Marine Cargo Claims

Alex Stewart Insurance offers a complete range of P & I Surveys, Inspections and Investigations for various P&I Clubs all over the world. By virtue of sound technical knowledge, experience and clear understanding of P & I Risks, our Surveyors are competent to conduct all types of P&I related surveys in a comprehensive manner and deliver Survey Reports that meet the needs of P & I Clubs for claims assessment and minimisation of risk / losses.

Marine Casualty Investigations

Alex Stewart Insurance Surveyors have been involved in investigations into many serious and high profile casualties and are able to respond quickly and efficiently. Our professionals can determine cause and extent, assist in mitigating the loss, collect evidence and provide expert advice to Ship Owners, operations and underwriters.
